

An aerial photograph of the Queens Plaza North development in Queens, New York. The image shows a tall, modern glass skyscraper with a curved facade, reflecting the sky. To its left is a smaller, older brick building with a clock tower. The surrounding area includes a multi-lane highway with traffic, a subway line with a train, and various other urban buildings. The sky is clear and blue.

NORTHERN BOULEVARD & 41ST AVENUE

Situated below 958 luxury residential rentals and directly across from Queensboro Plaza, Sven's retail offers unbeatable visibility, a high-income customer base, and unmatched access to subway and bus lines.

Each of the five retail spaces presents a unique opportunity. 1, 2, 4 and 5 are newly constructed with expansive storefronts, tall ceilings, and direct adjacency to Sven's residential lobbies. Retail 3, located in the lobby of the newly restored landmarked Clocktower Building, will be a hallmark space with soaring ceilings, historical detailing, and unequaled character.
